2018 HONDA HR-V

## Popular HR-V Back for 2018

PRESS RELEASE

With its stylish coupe-like design and SUV functionality, the versatile and segment-leading 2018 Honda HR-V carries a Manufacturer's Suggested Retail Price (MSRP) starting at \$19,570.

The HR-V became America's retail best-selling subcompact SUV in April 2017 and has posted seven consecutive months of year-over-year sales gains. Up 27.9 percent for the first half of 2017, HR-V sales to individual retail buyers outpace all other subcompact SUVs.

For 2018, the Honda HR-V offers a vibrant new color, Aegean Blue Metallic, available on select trims. HR-V also features a refreshed wheel design with black-painted inserts – available on EX and higher trims – to enhance HR-V's

Aegean Blue Metallic is a new color available on the hot-selling Honda HR-V for the 2018 model year.

The compact HR-V is spacious enough to rival the space and cargo capacity of mid-size competitors.

sporty personality.

The 2018 Honda HR-V will continue to deliver one of the most versatile interiors in the segment thanks to Honda's 2nd-row Magic Seat that offers four different modes for multiple seating and cargo-hauling configurations. With 100.1 cu.-ft. of passenger space and 58.8 cu.-ft. of cargo volume (LX FWD) with the 2nd-row seats folded down, the HR-V has space to rival some competitors' mid-size SUV offerings.

Not only is the 2018 Honda HR-V stylish and

functional, it's also efficient, with EPA3 fuel economy ratings of 28/34/31 mpg (city/highway/combined) for CVT-equipped two-wheel drive models and 27/31/29 mpg for models with all-wheel drive, while 6-speed manual 2WD models received a 25/33/28 mpg rating.

### POWER

The 2018 HR-V is also fun to drive, with lively yet secure handling and a standard 6-speed manual trans-

mission (2WD models). HR-V is powered by a responsive 1.8-liter SOHC 16-valve 4-cylinder engine with i-VTEC valvetrain, with peak output of 141 horsepower at 6,500 rpm and 127 lb.-ft. of torque 4,300 rpm. The HR-V is available with Honda's Real Time AWD with Intelligent Control System for outstanding all-weather handling and control.

A continuously-variable transmission (CVT) is available on all models, and a 6-speed manual transmis-
