2020 ACURA MDX

A Dynamic, Refined SUV

The 2020 MDX offers premium features in both standard and Sport Hybrid models

PRESS RELEASE

The 2020 Acura MDX offers a dynamic driving experience with both a standard and Sport Hybrid version, an available A-Spec sport appearance variant and an extensive list of standard premium features and high-tech appointments on all grades, including AcuraWatch safety and driver-assistive technologies.

The 2020 MDX includes base, Tech and Advance package options, with optional Super-Handling All-Wheel Drive technology, which is one of the most capable and sophisticated torque-vectoring AWD systems in the marketplace.

The popular MDX A-Spec, includes a comprehensive list of appearance upgrades, including unique exterior styling, high-contrast seat and door panel stitching and contrasting front seat side garnishes. Also featured on the 2020 MDX are front passenger seats with standard four-way power lumbar adjustments, a “walk through” second-row seat configuration on Technology and Entertainment packages, and a trim-exclusive matching wood center console available on the MDX Advance Package.

The 2020 MDX is pow-

The MDX Sport Hybrid offers driving refinement, sophistication and comes packed with high-tech and safety features.

ered by a responsive 3.5-liter direct-injected i-VTEC 24-valve V6 engine with 290 peak horsepower and 267 lb.-ft. peak torque, mated to a quick-shifting and highly refined 9-speed automatic transmission.

KEY FEATURES

- Idle stop for more refined, seamless driving experience.
- Available A-Spec sport appearance package.
- Standard AcuraWatch suite of advanced safety and driver-assistive technolo-

gies.

- Driver and front passenger four-way power lumbar seats.

- Premium interior refinements including wood trim, high-contrast seat and door panel stitching, and contrasting front seat side garnishes.

- Nine exterior color options: Premium colors include: Majestic Black Pearl, Performance Red Pearl, Canyon Bronze Metallic and the A-Spec-exclusive Apex Blue Pearl. Additional exterior colors

include: White Diamond Pearl, Modern Steel Metallic, Gun Metal Metallic, Lunar Silver Metallic and Fathom Blue Pearl.

2020 MDX SPORT HYBRID

The 2020 MDX Sport Hybrid is engineered for customers who desire the ultimate in driving refinement, technological sophistication and prestige. Featuring Acura's signature three-motor Sport Hybrid Super-Handling All-Wheel

Drive system, the MDX Sport Hybrid is the brand's most powerful and efficient production vehicle.

The MDX Sport Hybrid's 3.0-liter, i-VTEC™ V6 engine and three-motor Sport Hybrid Super Handling-All Wheel Drive system delivers decisive power and control as well as instant torque.

While turning out 321 total system horsepower and 289 lb.-ft. of combined system torque, all MDX Sport Hybrids earn an impressive EPA combined

BY THE NUMBERS

Base Price: \$44,400
Wheelbase: 111 in.
Length: 196 in.
Width: 78 in.
Height: 67 in.
Engine: 2.5-liter, V6
Transmission: 9-speed automatic
EPA Mileage: 19 city, 25 highway

fuel economy rating of 27 mpg.

An advanced 7-speed dual-clutch transmission—a feature closely related to the NSX supercar's 9-speed DCT—is offered as standard equipment. The MDX Sport Hybrid's electric SH-AWD system operates independently of the gasoline engine, with the two rear-mounted electric motors dynamically apportioning torque directly to the left and right rear wheels.

Offered in a Technology and Advanced package, the Tech Package models include seating for seven, while the range-topping Advance Package incorporates a six-passenger interior configuration with second-row captain's chairs and a large second-row center console in place of a three-occupant bench seat.
